# WELCOME FROM THE MACO PRESIDENT

## MACo President 2015-2016

### **Dear MACo Colleagues, Friends & Partners:**

As President of the Montana Association of Counties, it is my pleasure on behalf of the MACo Staff and Executive Committee to welcome you to MACo's 107<sup>th</sup> Annual Conference. Thank you all for taking time out of your busy schedules to attend and participate. This will be my sixteenth annual conference and have found them all well worth my time. My first conference was in Big Sky before I officially took office. It was a real eye opener for an incoming commissioner.

The MACo organization and the annual conferences have taken big steps forward since my first conference. The annual conference gives commissioners and elected officials the opportunity to attend informational and educational sessions along with committee meetings that support MACo's mission. In the next few days, MACo Committees will be meeting to go over resolutions, policies, and national issues. Please take time to attend these committee meetings because the issues discussed are likely to affect your county. Your input at the committee meetings is encouraged even though you may not be a voting member of the committee. The chairs and vice chairs of this year's committees have spent a great deal of time preparing their agendas and finding guest presentations on topics that will be interesting to all attendees.

This year's vendors and sponsors offer a wide variety of services for counties. They bring a wealth of professional knowledge, information and products that are helpful for counties to deliver essential services to our residents. There is always something new and interesting. Make a point to stop by each booth and say "Thanks". Their participation not only displays state of the art services for counties but also represents a substantial financial contribution to the conference success that is greatly appreciated.

Our Conference Planning Committee and MACo Staff have spent many hours assembling workshops that pertain to pertinent county, state and federal issues. I would like to give a big thanks to them, Yellowstone and Stillwater County Commissioners and their staffs, and the volunteers who make this conference a success.

The next few days will give you the opportunity to learn from experts, share your county issues with peers, visit with the MACo staff, view services available from vendors and mingle with electeds who understand the responsibilities of elected officials. Don't forget to enjoy your stay in Billings and support the local economy.

Sincerely,

*Maureen Davey*  
President Maureen Davey  
Montana Association of Counties

# YELLOWSTONE & STILLWATER COUNTIES' WELCOME

---

We would like to welcome everyone to MACo's 107<sup>th</sup> Annual Conference. We will be reviewing resolutions, policies and discussing issues that are important to all of us. The many sessions and workshops planned will give us the tools we need to be more productive in our roles as elected officials. We hope everyone will enjoy the conference and leave with new ideas to help ensure the smooth running of our county governments.

A special thank you to the MACo staff, volunteers and everyone involved in setting up the conference and workshops. We hope you will be able to attend as many as possible. Also, don't forget to take time to visit with our many exhibitors who contribute greatly to our ability to provide these informative meetings.

Last, but not least, there are many activities to take part in with our shopping malls, museums, restaurants, breweries and Zoo Montana, just to name a few. You might want to stay an extra night on September 22<sup>nd</sup> to attend the All Nations Indian Relay Championship featuring bareback relay horse races with riders in traditional Native American regalia exchanging and leaping from one galloping horse to another at our MetraPark grandstands at 7:00 pm. This all-star gathering includes Indian arts, crafts and concessions, plus dancing, drumming and other cultural activities. Indian Relay is proclaimed by many to be the world's most exciting sport so you won't want to miss it.

We look forward to having you with us!

### **10:30-11:30 a.m. Multi Bank Securities –An Introduction to the e-Connect Direct Platform**

Presenter: Peter Torvik, Senior Vice President

The environment for the management of county funds continues to be a challenge. Low interest rates and uncertainty from all quarters makes information even more important to an efficient investment process. The Montana Association of Counties, in its continued partnership with the National Association of Counties and their Financial Services Corporation, endorses e-Connect Direct as an essential solution for members to manage their fixed-income investment needs. See how e-Connect Direct fits into a well-rounded investment program in your county. This system, powered by Multi-Bank Securities, Inc., was presented last week to the membership of the Montana County Treasurers Association at their Annual Convention in Great Falls. Commissioners may see proposals from their treasurers in the near future to make use of this multi-featured tool.

Short Term Investment Pool (STIP) — Julie Feldman, Financial Manager, CPA  
In-State Loan Program — Doug Hill, Portfolio Manager

The Board of Investments (the "Board") is a division of State of Montana Department of Commerce that by law administers the Unified Investments Program required by the Montana Constitution. With very few exceptions, all of the State's money is invested by the Board. This is an opportunity for county officials to learn more about what the Board can do for your county through its INTERCAP Loan Program, a low-interest loan resource for a wide variety of needs to Montana local governments; the Short Term Investment Pool (STIP), a highly liquid investment fund available to state and local governments to serve their short term cash flow and deposit needs; and, as a component of the State's overall economic development efforts, the In-State Loan Program that includes various loan and infrastructure programs for new and expanding businesses. Please join us and find out what we can do for you!
