Cascade county is pleased to host the 2020 MACo Mid-Winter Conference and we have worked with our Military friends here to set up a special morning program for you on Thursday the 13th of February.

We are extremely proud of the 341st Missile wing and 819th Red Horse Squadron at Malmstrom AFB as well as the MTANG 120th Airlift Wing and MTANG 319th Red Horse squadron at the Airport. Thursday's session will allow you to be briefed on the missions of these units as well to hear how as counties we can assist them in keeping us safe.

Following the briefings, all attendees are invited to attend a tour of the MTANG operations located at the Airport. This is a great opportunity for you to better understand the operations of our Montana National Guard and the impact their efforts have on each of our counties.

Best wishes and I hope to see you in Cascade County for the 2020 Mid-winter conference.
