MACO PROPOSED LEGISLATION ON NEXT PAGE ...

## 2023 MACo PROPOSED LEGISLATION

MACo serves Montana's counties. We monitor legislative issues, provide a forum for discussion of various county concerns and issues, and deliver training, education, and assistance to the counties and their personnel. MACo staff also work with state agencies, legislators, and the Executive Branch in helping shape public policy.

Below is the list of MACo proposed legislation for the 2023 Legislative Session. This legislation is the product of the

MACo Resolutions that were brought forward by member counties and passed by an assembly of MACo members during the MACo 2022 Annual Conference.

A resolution proposes to amend Montana law to solve a problem—meaning a resolution becomes legislation with the help of MACo Staff, Sponsor Counties, and—of course—Montana's Legislators and Executive Branch.

**Bills highlighted in red have died in the legislative process.**
