---

BCBSMT Medicare Advantage coverage utilizes a Medicare Advantage PPO to deliver the highest level of benefits available. You'll pay the least amount of out of pocket costs by using a select network of providers who have partnered with BCBSMT to ensure you receive the right treatment at the right time and to help you manage your care to avoid preventable diseases. You always have the option to use providers not in the PPO but your out of pocket costs may be higher.

This information is not a complete description of benefits. Contact the plan for more information. Limitations, copayments, and restrictions may apply. Benefits, premiums and/or co-payments/coinsurance may change on January 1 of each year. You must continue to pay your Medicare Part B premium. Blue Cross®, Blue Shield® and the Cross and Shield Symbols are registered service marks of the Blue Cross and Blue Shield Association, an association of independent Blue Cross and Blue Shield Plans. The Silver&Fit program is provided by American Specialty Health Fitness, Inc., a subsidiary of American Specialty Health Incorporated (ASH). All programs and services are not available in all areas.
